**Non-cash financing and investing activities**

2.1 Details of financing and investing transactions which have had a material effect on consolidated assets and liabilities but did not involve cash flows

**On 22 July 2008, the Company acquired 100% of the issued capital of Frozen Puppies Dot Com Pty. Ltd. ("FPDC"), Australia's foremost provider of canine reproductive services. Under the terms of the Agreement between the Company and FPDC, Genetic Technologies Limited ("GTG") acquired 100% of the issued share capital of FPDC in return for the issue to the FPDC shareholders of 12,254,902 ordinary shares in GTG and the payment of \$153,160 in cash. In other terms of the acquisition, GTG advanced \$346,840 in loan funds to FPDC to enable shareholder loans to be repaid and Employment Agreements were executed between the Company and the five principals of FPDC. Voluntary Restriction Agreements were also executed with all former FPDC shareholders. As a result, 80% of the 12,254,902 GTG shares that were issued as part of the acquisition are subject to voluntary escrow and will be released from escrow in four equal tranches after the expiration of 6, 12, 18 and 24 months from the date of issue, respectively.**

2.2 Details of outlays made by other entities to establish or increase their share in businesses in which the reporting entity has an interest

**On 27 August 2008, the Company sold its entire interest in the North Laverton Joint Venture to its partner, Regis Resources Limited ("Regis"), in return for the payment of \$100,000 in cash and 500,000 fully paid ordinary shares in Regis. As part of the sale, the Company will also have returned to it a performance bond which had a face value of \$68,917 as at 30 June 2008. Further, the Company has been fully indemnified by Regis against any future rehabilitation liabilities which may arise from the exploration activities of the Joint Venture undertaken up until the date of sale. This indemnification will enable the Company, during the financial year ending 30 June 2009, to fully reverse the provision of \$94,987 in respect of such liabilities which has been recorded in the Company's balance sheet as at 30 June 2008.**
